

### How to Unblock the GSTIN for generation of e-waybill

The user will be alerted while generating e-waybills in case the entered GSTIN has not filed the Returns for the past 2 successive months as this GSTIN will be blocked for generation of e-way bills . On filing of the Return-3B in the GST Common Portal, the block status will get automatically updated as 'Unblock' within a day in the e-waybill system. However, if the status is not updated in e-way bill system, then the taxpayer can go to the e-waybill portal and go to the option Search → Update Block Status. Enter the GSTIN and click on 'Update GSTIN from Common Portal'.

GSTIN	Trade Name	GSTIN Status	Blocked Status
[REDACTED]	[REDACTED]	Inactive	Not blocked

This will fetch the status of Filing from GST Common Portal and if filed, the status in e-way bill system will subsequently get updated.
